On Wednesday 25th January, Yavneh College ran a Careers Evening for all year 10-13 students and parents. We had over **eighty volunteers** from our parent body of experts, professional and representatives from a huge range of careers and professions. During the course of the evening we also ran a series of "spotlight sessions" where eight individuals spoke for a few minutes each about their career.

The event was extremely well attended with over four hundred students and parents participating. We are extremely grateful to all of the Yavneh parents who gave up their time to support this fantastic evening.
