

Insight have discontinued the Insight App available in the Apple App Store/Google Play Store.

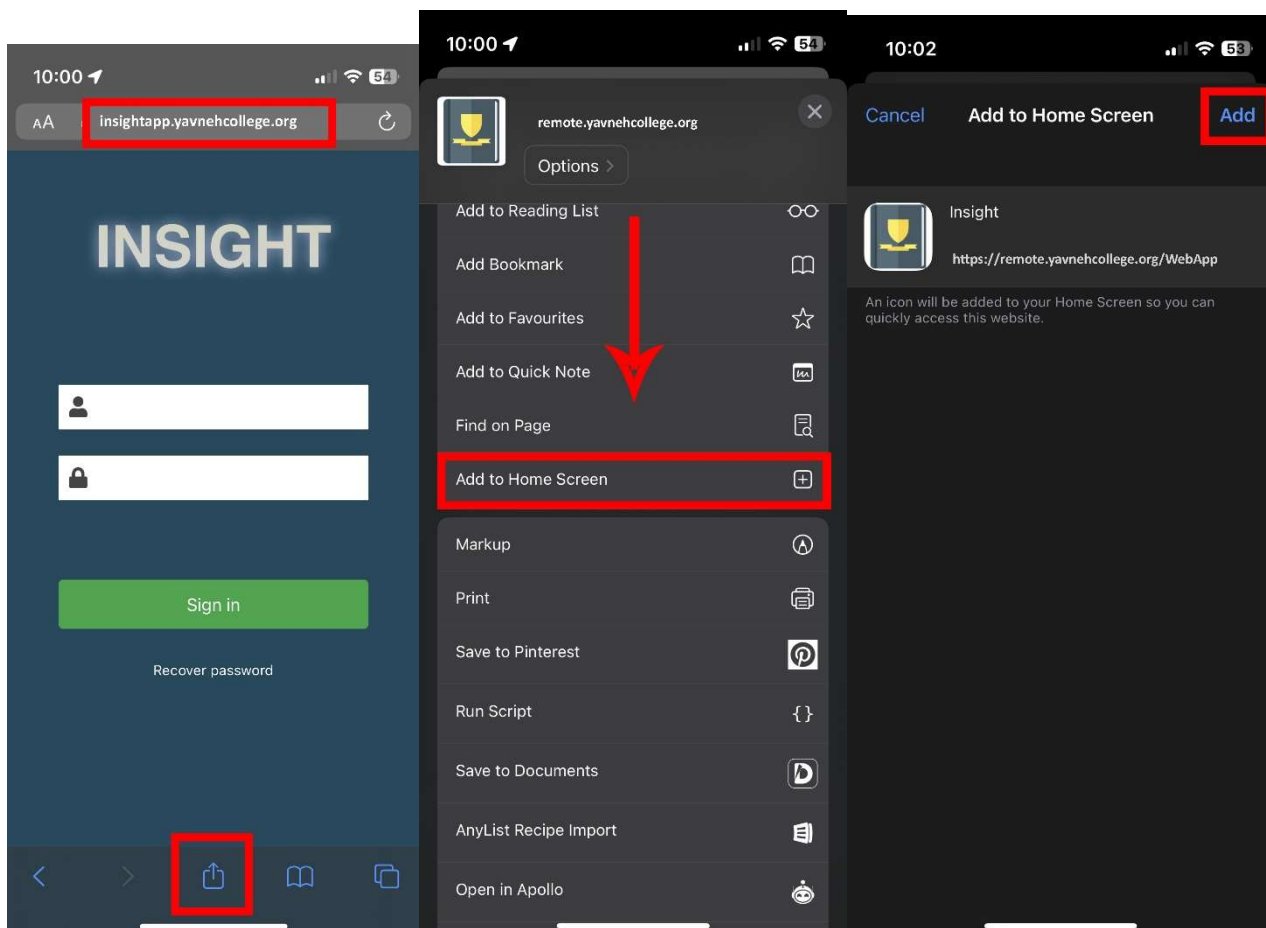

From Thursday 12<sup>th</sup> January 2023 it will no longer work. Please remove the old Insight App from your mobile device and setup the new web app following the instructions below.

If you have a phone capable of scanning QR codes you can scan the QR code below which will load the web app page in Step 1 of the instructions below.

### Add to iOS devices (iPhones/iPads)

1. Open Safari and type **insightapp.yavnehcollege.org** in the address bar (may be at the top or bottom depending on your device) *[skip this step if you have loaded the page via the QR code already]*
2. Tap on the **Share** button located at the bottom of the screen in the middle
3. Scroll down and tap **'Add to Home Screen'**
4. Tap **Add** when prompted to Add to home screen.

## Add to Android devices (Samsung Galaxy etc.)

5. Open your web browser e.g. Chrome and type **insightapp.yavnehcollege.org** in the address bar at the top *[skip this step if you have loaded the page via the QR code already]*
6. Tap on **Settings** (three dots top right hand corner)
7. Tap on **"Install app"** (it may also say Add To Home Screen on depending on your device)
8. Tap on **"Install"** when prompted
